- **BSc (MathComp) + MBA**

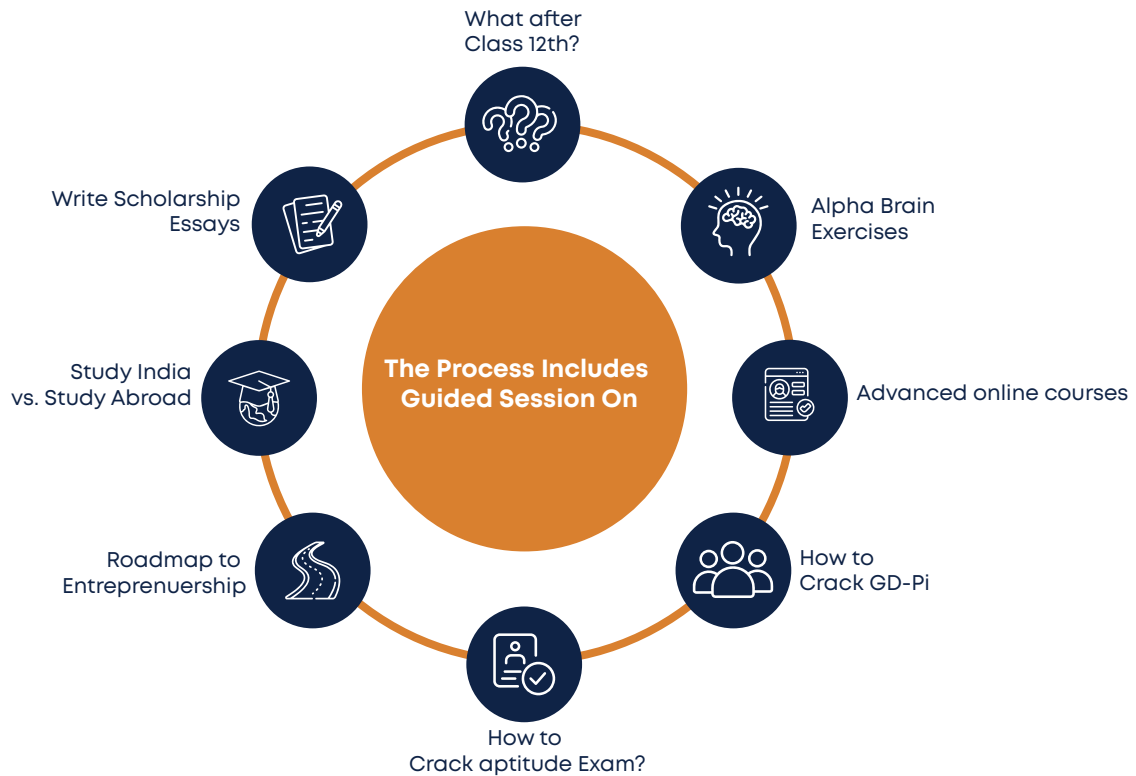

PROFILE BUILDING

(an initiative by Prestige University)

The Prestige university admission process is a mentorship program. Every student who applies undergoes a rigorous and extensive profile building exercise.

The exercise includes guided sessions on :

ELIGIBILITY

Undergraduate Programs:

Students to have a minimum of 60% in 10th and 12th grades, all national / international board students to apply.

ADMISSION PROCESS

PU's admission process ensures a well-rounded cohort through:

Academic Merit for past performance, Extracurricular Achievements for holistic growth, Statement of Purpose & Essay for goals and motivation, a Written Test to assess aptitude and reasoning, and a Faculty Rendezvous to evaluate program fit and potential.
